President's Notes

Hello Fellow Mustangers,

September is rolling in with some cooler and maybe wetter weather to start the month.

THIS Saturday, August 31st,

The Watermelon Roundup and a Car show in Plains from 9-afternoon. The show is part of events and I believe it's a judged show. You can be back for Tech game.

As for the club, we are in good financial shape at this time.

As for meetings, the September Red Zone will be on the 5th and Tommy will update us on upcoming events, but nothing sponsored by the club.

Speaking of sponsors, Pollard provided me and Steve Divine a brand new Ford 4X4 truck to drive the route for Meals on Wheels. I was able to get a pic on my website with a plug for them. I also saw several other club members involved in the annual delivery event.

The next Big event for the club will be the annual Christmas party in December. We'll get info out on that and now would be a good time to buy a door prize for the "Horse" game that Jill and I really miss being involved in each year.

We also miss the fellowship and glad to see members at the Coffee and Cars events lately.

I'll ask now and for the next couple of months for you as a member to consider being an officer. It's not hard nor time consuming (except for Dave); he's a hard working club member and does a great job helping with all aspects of the club.

If you're an officer and you haven't filed with Linda for reimbursement on your MCA costs, \$25 for membership, please join/renew and get reimbursed so that Linda can wrap the financial for the year.

Have a great September, hope to see you at events.

Meeting Minutes

Happy September!

Meeting notes for August 1st, 2024.

David Flett called the meeting to order at 7:00 p.m. The Pledge of Allegiance to the Flag was recited and observed. Sprague led us in a prayer before we attended to the business at hand. Twenty-two members were in attendance. Bray Curry made it to the meeting as a new member, join me in welcoming him to the club!

The first order of business was the treasurer's report. As of August 1st, there was \$6,312.52 in the kitty. The cat is pretty healthy now thanks to our great sponsors, thank you! Remember to support our sponsors, I purchase replacement parts from Pollard Ford, tools from NAPA, oil changes happen at Birdsong Automotive and car washes occur at Mighty Wash.

Tommy suggested that those wanting to participate in shows later this year, meet at a location. That way we can gather there, leave from there and arrive at the show together. This way we can all park together. This operation can be done for other events as well. Remember, as C.W. McCall said back in the '70s, "Looks like we got us a convoy!"

Dennis Quattlebaum gave the update from the Mustang Club of America. It appears that things are winding down for the year, however there are several more MCA shows in September and one in October. The Mustang Stampede show will be in Mustang, Oklahoma on Saturday, September 7th. The only other MCA show that will be even remotely "close" to us will be in Shreveport, Louisiana on Saturday, September 21st.

Our car story this month was brought to us by John Flett. This involves a 2007, triple black, convertible, Shelby GT500. The car was lightly driven on the road but did some racing at the local drag strip in McMinnville, Oregon. The car was otherwise meticulously maintained and apparently looks almost new. Several years ago in Oregon, John installed a competition clutch in the car and remarked at its condition. The car is now for sale and with its color combination is quite rare. The car has low mileage and I heard about a price of \$35,000. If interested, you might want to contact John to confirm that!

Someone needs to pony-up with another good story about a Mustang next month. Also, there was some discussion about another place to meet with each other, show our cars and shoot the bull, just to be seen somewhere. Bring your ideas and stories to our next meeting.

The meeting was adjourned at 7:40 pm. It was another busy meeting this month. Keep the shiny side up and the rubber side down. We'll see y'all next month, on September 5th, 7:00 pm at RedZone Cafe!

Fellow Mustangers,

My father and I are in need of a coil spring compressor. We currently have the basic four hook compressor but it cannot compress our springs properly. The link down below is a reference we are looking to borrow if possible. Thank you all for your time.

Sincerely,

Camryn
