President's Notes

Hello Everyone,

I'll begin with some sad news. A long-time friend of the Mustang club and several of us officers, Joe Marnell passed away last week. Most of you likely met or visited with him at almost every annual show at Wayland campus. He was an important part of our annual event, especially in the early years. He fulfilled all of our requests from indoor rooms for judges to accessing Wayland's power grid.

He will be missed, and the club owes him a very big Thank You and our condolences to his family.

Your officers will decide on a way to honor his help this week

Now that we have had this year's show I want to thank Martin Olvera and his crew as they have stepped in to continue to meet our needs and did an excellent job earlier this month. We look forward to working with him and Wayland for our future shows.

Moving to the show, we had some changes in judging and unfortunately has 3 other shows in town that Saturday. However, even with lower than normal numbers, everyone that attended enjoyed the show, the food trucks and friendship of fellow car owners.

I want to thank all of the officers and their wives for all they did over last few months, from plaques to finance and all of the volunteers for that day.

Big thanks for Dave for doing extra duty again this year. If I ever retire from work he can get some rest!

Always a big thanks for Linda for all of the finance expertise and for Tommy not getting in her way!

Thanks to Tommy for the weekly updates and for promoting the show.

This next meeting is the time to bring forth any and all ideas, complaints, suggestions, etc for next year's show to make any changes that might be needed.

We NEED to hear from members, what did you like/dislike, want more or/less of and do we need to consider a different date for the show.

Again, thanks to everyone that helped and attended the show.

-John -

Meeting Minutes –

Happy July,

Meeting notes for June 5th, 2025.

David Flett called the meeting to order at 7:00 pm. The Pledge of Allegiance to the Flag was recited and observed. Sprague Fleming led our prayer, thank you Sprague! Eighteen members were in attendance. June birthdays and anniversaries were announced.

The first order of business was the treasurer's report. As of May 31st, there was \$5,323.68 in the kitty. The new T-shirts were brought to the meeting and were distributed to those who had already paid. Additional shirts were sold there at the meeting.

The rest of the meeting was extremely short. We spoke briefly about preparations for the show and quickly adjourned as severe weather was approaching the area. In fact, our waitress came in to inform us that Red Zone Cafe had been contacted by the police, encouraged to send everyone home and shut down. Dave and I were the last to leave, when we exited the building, the skies were very threatening.

We have been invited to participate in the Spur July 4th parade as the Corvette Club backed out. The parade is short, about 15 minutes or so. There will be no car show afterwards but we could park somewhere and get lunch together. Tommy Persons and Dave Flett have already volunteered to go, others are invited to join. Our July meeting is the night before so we can discuss and finalize our actions at that time.

We had 60 entries in our Annual Car Show this year. Despite the nasty weather we had a few days before, the weather was good at the show. Several other events were scheduled for that weekend which may have contributed to the lower turnout. There was some cloud cover in the morning which kept the temperatures down, the heat returned in the afternoon however. The food was great this year, many thanks to Debbie and Art Woolever!

Thirteen members showed-up with their cars at the Big Wick's Cookout in the Drug Emporium parking lot on June 21st. Great time to visit and grab some free barbecue!

The Smyer car show was on Saturday, June 21st as well. Art and Debbie Woolever attended this show at the Smyer Senior Citizen Center. Art received "Best of Show" from the pick of 80 cars!

Due to the approaching severe weather, the meeting was adjourned at roughly 7:15 pm. Hopefully the weather will be better for our next meeting!

Our next meeting will be on Thursday, July 3rd. As always, keep the shiny side up and the rubber side down. We'll see y'all next month.

-Todd-
