Meeting Minutes

Happy June!

Meeting notes for May 2nd, 2024.

David Flett called the meeting to order at 7:00 p.m. The Pledge of Allegiance to the Flag was recited and observed. Stephen led us in a prayer before we attended to the business at hand. Twenty-five members were in attendance. Jay Bonifacio made it to the meeting as a new member, join me in welcoming him to the club!

The first order of business was the treasurer's report. As of May 2nd, there was \$4,341.68 in the kitty. The cat got a little fatter this month as we received sponsorship checks from NAPA and Birdsong Automotive. Thank you!

Our annual car show will be on Saturday, June 8th. Car show preparations are well underway. Intake and exhaust have been sorted as food trucks and porta-pots have been procured. The parking committee is in place, but additional help is always appreciated. Registration and T-shirt sales will be located at the main entrance to the Wayland Baptist University building. The T-shirts are \$15 for members and \$20 for the public. The Judges are on their way, and we have over 65 plaques for the judged classes. The music is ready for the sound system and the 50/50 tickets are rolled-up and ready. The only things left are the door prizes. Please bring your door prizes to the next meeting on June 6th. The door prizes can be anything you would like to get, the value of which can be from \$15 to \$25.

Our T-shirts will be a gold/yellow color this year. The artwork looks great, some final touches are being applied before printing this month.

The O'Reilly's Car Show at the O'Reilly's distribution center north of town has been postponed to sometime later in the year. Tommy suggested that those wanting to participate in shows later this year, meet at a location and arrive together. This way we can all park together. This operation can be done for other events as well. Remember, as C.W. McCall said back in the '70s, "Looks like we got us a convoy!"

Dennis Quattlebaum gave the update from the Mustang Club of America "Great American Pony Drive". There were 42 cars involved in the Pony Drive this year; folks from throughout the States, even a few Kiwis from New Zealand and a few Aussies. I didn't know there was a "Live App" that allows one to ride along in the drive from your living room!

We received a great letter from the Fleming family, thanking us for our donation to their church and our prayers for them.

Tim Carmichael gave the website report. Our website has received roughly 11 hits a day for the last month!

Our car story this month came from John and Dave Flett and their trip to Birmingham for the 60th Anniversary Mustang Show and Celebration. The car John was to take had not been started in three years. After plenty of work he got it running, the night before they left. On their way out of Lubbock the next morning, they blew a brand-new tire on the car trailer. Being the boomtown, our city has become, certain things can be found in the road. A bolt in the tire was the culprit. The rest of the trip went well, and they arrived in Birmingham on time. John's performance on the Autocross track there went well. The Autocross track has a new smooth surface with plenty of banked curves and premium landscaping adjacent to it. Don't run off the track, you'll have to pay to fix the lawn! The show was big and there were Mustangs stored away all around the grounds.

The meeting was adjourned at 7:45 pm. It was another busy meeting this month. Keep the shiny side up and the rubber side down. We'll see y'all next month, on June 6th, 7:00 pm at RedZone Cafe! Bring your door prizes for our big show!
