## President's Notes

Hello Mustang enthusiasts,

We are moving into the Pumpkin-spice month, although it's been available for several weeks, it seems. The month of festivals/harvest events will be taking place so there's still opportunities for displaying cars and visiting friends and fellow auto owners.

Nothing major expected for the club, pending any new offers from events or sponsors.

Ronnie provided officers with the increased food and rental costs involved at our Christmas party and we're working on a way to help members with costs without our finances being impacted significantly.

We aren't a 'money making' club, but we do need to stay financially secure with the ability to offer scholarships to Wayland.

Along those lines, if you know of potential sponsors, please let the officers know so that we can check things out.

Now's the time to pick up a gift for the annual game of HORSE.

Hope you have a great October and Happy Halloween!

-John -

## Meeting Minutes

Meeting notes for September 7th, 2023.

Tommy Persons called the meeting to order at 7:00 p.m. The Pledge of Allegiance to the Flag was recited and observed. Gordon Jones led us in a club prayer. Thirteen members were in attendance.

The first order of business was the treasurer's report. As of September 7<sup>th</sup>, there was \$4,641.10 in the kitty.

Tim Carmicheal still needs photos of member mustangs for the car of the month segment of the website. You will find Tim's club email address on the website, send him a photo of your car along with a short caption.

Involvement in the "Big Wheels Deliver Meals on Wheels" event was discussed. The event has been scheduled for Friday, September 29<sup>th</sup>. The event involves delivering meals in your car, a local celebrity riding shotgun.

A trip to Woody's classic car and baseball museum was discussed. Woody's museum is in Cross Plains, Texas. A tentative date has been set as Saturday, September 30<sup>th</sup>. Tommy Persons will send out an email giving instructions on where and when to meet for the cruise down there.

The S.P.I.R.I.T. riding team has scheduled a parade to the rodeo at Cook's Garage on October 28<sup>th</sup>. They have asked us to be participants in their parade. We now have magnetic signs for the club that can be used for such events. More discussion on this event will occur at the October meeting.

Dennis gave the report from Mustang Club of America. Elections for MCA Regional Directors will occur at the end of this month, in fact ballots are to be marked and sent by September 30<sup>th</sup>. The National MCA show that was held in Albuquerque this year went very well. The only trouble for us is that it was scheduled at the same time as our show. Next year is the 60<sup>th</sup> anniversary of the Ford Mustang. The MCA 60<sup>th</sup> anniversary show will be in Birmingham, Alabama and from what I hear, motel rooms are already scarce. The Great American Pony Drive will leave from Birmingham and travel to Mustang, Oklahoma. From there it will continue northeast along the route of old U.S. 66 through Missouri and Illinois.

John Flett supplied this month's car story in which we were taken through the events of a motocross, the prizes from which were all taken by the Flett family. As the story goes, David Flett and John had run their laps and were quite happy with their times. But mom still had to run her race. Her tool of choice was a 2003 Ford Focus ZX3. She made her first run and at the end of it decided to view her time, upon doing that she hit a curb and blow a steer tire. She was fine, a little miffed mind you, the same could not be said for the tire. She still had one more lap to make. David and John grabbed the spare tire from John's sister's car, but it needed to be mounted on a better wheel. It was a full-size spare not the Mickey-Mouse swimming pool inner-tube. They scrambled to find a tire shop that could mount the tire in the small amount of time they had. Finally finding a place to mount the tire, they hauled back to the track to put the wheel and tire on mom's car. They got the tire installed just in time and mom made her final run. She beat both David's and John's times, winning the motocross.

The meeting was adjourned at 7:45 pm. It was another busy meeting this month. Keep the shiny side up and the rubber side down.  
We'll see y'all next month, October 5<sup>th</sup>!

-Todd-
