## President's Notes

Hello fellow members,

I'll begin with condolences to Todd Carr and his mother, Donna on the passing of Todd's father on September 16<sup>th</sup>. Several club members attended his service at Lakeridge Methodist church. The club is working on providing a brick for Mr. Carr at the war memorial on 82<sup>nd</sup> street. Dennis Quattlebaum also lost his mother, Sarah Wright Quattlebaum Renfrow, on September 13<sup>th</sup>. She was 103. Services were on September 19 in Oklahoma.

Congratulations to Dave and Wendy Flett on the marriage of their daughter, Ella and new son-in-law Hunter Carpenter.

The club has a Road Trip planned Oct. 12<sup>th</sup> to Cross Plains to visit Woodie's Museum. Museum full of beautiful classic cars and memorabilia. It's about a 3-4-hour trip with a quick lunch stop in Abilene (or somewhere along the line).

As we move into October, we may receive invites for various 'fall events', festivals and car shows and Tommy will keep us up to date on those activities and requests.

Our Christmas party is booked at Hillcrest Country club for Dec. 14<sup>th</sup>. More details on that fun event over the next month or so related to the menu and 'Horse'. When you're out and about pick up a door prize for the Christmas party.

Our club has grown this year and welcome to the new members.

As we move into October and early November, we may receive more invites and Tommy and Ed will keep us up-to-date on the requests.

I'll close with a word of thanks to Tommy and Ed for alerting us to the various car related events over the area.

Have a great and fun October, maybe weather will allow for more car events.

-John -

## Meeting Minutes

Happy October!

Meeting notes for September 5th, 2024.

David Flett called the meeting to order at 7:00 p.m. The Pledge of Allegiance to the Flag was recited and observed. Sprague led us in a prayer before we attended to the business at hand. Seventeen members were in attendance.

The first order of business was the treasurer's report. As of September 5th, there was \$6,317.52 in the kitty. The cat is pretty healthy now thanks to our great sponsors, thank you! Remember to support our sponsors, I purchase replacement parts from Pollard Ford, tools from NAPA, oil changes happen at Birdsong Automotive and car washes occur at Mighty Wash.

Tommy suggested that those wanting to participate in shows later this year, meet at a location. That way we can gather there, leave from there and arrive at the show together. This way we can all park together. This operation can be done for other events as well. Remember, as C.W. McCall said back in the '70s, "Looks like we got us a convoy!"

The Lubbock Mustang Club had another great turnout the Gene Messer Cars and Coffee event. Thanks to those who supported the Meals on Wheels Celebrity Day. John Robison and Dave Flett went to the Plains Watermelon Roundup show. John was the emcee for this show. They had a good time at this event but there were only 18 entries this year, which was the lowest ever. We need to support this show next year.

The Christmas Party is reserved at the Hillcrest Country Club again this year and will be on Saturday evening, December 14<sup>th</sup>. Our annual show is scheduled to occur on Saturday, June 14<sup>th</sup>, 2025. The Annual Lubbock Mustang Club Car Show is also known by folks as the Wayland Show, might not be a bad idea to include this name on our flyers and posters for next year. For our show to be included in the MCA Mustang Times magazine, we need to send our show information to MCS by the end of February.

Dennis Quattlebaum gave the update from the Mustang Club of America (MCA). All MCA shows have occurred for the year. Voting for representatives occurred in September. All candidates look to be qualified and definitely interested in representing members to club management. New representatives should be known by October.

We didn't have a car story this month, so I guess I'll take the liberty of adding one here. When I was a kid, I would tour my neighborhood on my bike on Saturday mornings. Occasionally I would see a guy in a black, 1969 Mustang Cobra Jet. Every time I would see this car I would stop and watch it go by. The owner had replaced the factory wheels with some

chrome Cragers. There were no stripes on the car, just that “shaker” hood scoop, chin spoiler, trunk lid spoiler and louvers on the back window. The car was a stunning sight in all black with those chrome Cragger wheels. The guy driving this car was pretty cool with it, he just idled down the residential street, a soft rumble from the exhaust. Since I would stop and watch the car, the driver would just smile as he went by. Where this car resided was a mystery, I never saw it in any open garage in the neighborhood, I guess it was the “Black Ghost” of our town.

Someone needs to pony-up with another good story about a Mustang next month. Also, there was some discussion about another place to meet with each other, show our cars and shoot the bull, just to be seen somewhere. Bring your ideas and stories to our next meeting.

The meeting was adjourned at 7:45 pm. It was another busy meeting this month. Keep the shiny side up and the rubber side down. We’ll see y’all next month, on October 3rd, 7:00 pm at RedZone Cafe!

-Todd-
