President's Notes

Hello Fellow Mustangers,

We have jumped into Fall and so far, the weather has cooperated with most car events, unlike the Tech football games.

We have been involved in many of the spring/summer events and have added some new members through our exposure to other car owners.

Tommy has done an excellent job of keeping us informed of new activities as well as the regular monthly Coffee and Cars events.

Please give him a word of thanks because it takes some time/effort to keep up with all of the area events, times, etc. Hopefully we'll be receiving additional event requests, such as Coronado high's Homecoming parade that occurred on Sept. 24th.

Our next 'big' club event will be the annual Christmas party and that's only three months away. Remember that we'll need door prizes and gifts for the party and our donation to "Christmas for Kids". You may want to shop soon before more of the tariffs impact the cost of many items in the next few months.

Hope that you can make the October 2nd meeting at Red Zone café.

-John -

Meeting Minutes —

Happy October,

Meeting notes for September 4th, 2025.

David Flett called the meeting to order at 7:00 pm. The Pledge of Allegiance to the Flag was recited and observed. Sprague Fleming led our prayer, thank you Sprague! Twenty members were in attendance, including two new members, James Hesse and Frank Spann; welcome to the herd!

The first order of business was the treasurer's report. As of September 4th, there was \$5,202.98 In the kitty. We're in pretty good shape!

Thanks to the club members who attended shows in August. Five members attended the Lockney Old Fashioned Days on August 23rd. Six members took their cars to the Watermelon Festival Car Show in Plains on August 30th. Most members won something at this show but Art and Debbie won the big prize of \$275.00. Cars from our club accounted for roughly a quarter of the Watermelon Festival show and the LMC members were appreciated. At these shows our club awarded the Lubbock Mustang Club Top Pick trophies to selected vehicles, a well preserved 1970 F100 received a trophy at the Lockney show and a beautiful 1963 Galaxie 500 received a trophy at the Plains show.

There was no report from Mustang Club of America this month.

Tommy Persons gave the activities report, lots to do this month. Meals on Wheels Celebrity event on September 19th, Cars and Coffee downtown at the Mercedes Dealership and the Roadrunner Car Club show in Hobbs, NM on September 20th, Coronado High School Homecoming on September 24th, a Cars and Coffee event at Bombshells on September 27th and finally the Daughters of the American Revolution "Clays Busting in the Air" skeet shooting event on the same day.

The car story this month came from Frank Spann. Frank joined our club as a fan of the Mustang and several other Ford cars but this story is about his 1969 Chevy Impala. Frank bought the car in 1971. The car was originally white, with a red interior and black convertible top. Frank really liked this car but it was just that, a car. His girlfriend, later to be his wife drove it, and Frank drove the car as part of a carpool to the oilfield for years. Years later

Frank's grandson drove the car. One day the grandson was found to be hot-rodding the car. It was at this Frank decided to rebuild the engine in the car. It was while rebuilding the engine that Frank decided to restore the car. It was restored, painted red and became the car we see today.

The meeting was adjourned at 7:45 pm. This was a fun meeting. Our next meeting will be on Thursday, October 2nd. As always, keep the shiny side up and the rubber side down. We'll see y'all next month

-Todd-

Here are the details on my straight six I would like to have listed to our fellow club members. The engine is a 68 block that puts out black smoke when cold but smooths out after it heats up. It has a new improved exhaust manifold and a new single barrel carb. There is one manifold bolt that has stripped but there is no evidence of leaking. The intake manifold is original but it does cause vapor lock in the summertime thanks to its location. Over the last 5 years of driving it, it has not given me any problems or concerns. The oil pan may need to be replaced as the previous owner beat it up. It still holds oil but appearance wise it is not nice. Do note the alternator, AC pump, oil cap and air cleaner will not be included. I am asking \$300 for it, but I am open to reasonable offers. Delivery not available. My contact is (806)544-9572 if interested in taking a look at it and or have any questions. Texting is the best way to reach me.
